[Redacted]

At this point the central issue seems to be what information might possibly be transmitted to the Congress in connection with this case and the degree to which it contains sensitive Agency information. [Redacted] will attempt to obtain more specifics on the congressional interest from DIA.

28.

[Redacted] Jim Gehrig, Senate Aeronautical and Space Sciences Committee staff, called and said he would have to be back in touch with us to set up a date for our briefing of some of the new members. He indicated it might be after the Easter recess.
